

POLITICAL ACTION COMMITTEE

The RIMBA PAC was formed to give RIMBA members and others concerned about mortgage lending and brokering issues an easy way to consolidate their contributions to candidates for Rhode Island public office. By making larger contributions identified with RIMBA, the RIMBA PAC will increase awareness of RIMBA and the issues important to its members in a more effective way than could be achieved by each of us making separate contributions. Each year, legislation that affects our industry is introduced in the Rhode Island General Assembly, and we need to have a united voice so that our message can be heard. Donations to the RIMBA PAC will help significantly in furthering our legislative efforts.

Please take the time to make an **INDIVIDUAL** contribution to the RIMBA PAC today. Business contributions are **NOT** permitted, and corporations and other business entities may not reimburse their employees for individual contributions. Individual contributions may not exceed \$1,000 in any calendar year.

This form can be copied and distributed to employees.
