## WFG NATIONAL TITLE INSURANCE COMPANY

We are a national title insurance company founded on the principle that our clients are our partners and should always come first. WFG offers proven solutions and strategies to help all parties involved in a real estate closing - from the real estate agent, to the lender, to the title agent - grow their business. WFG is committed to applying a new philosophy to the traditional mortgage and real estate industry, working to meet the changing needs of its clients, agents and associates. We're asking questions about what YOU need for a more efficient, transparent and safer closing. We're always looking out for points of friction that offer opportunities to innovate and serve you better.

### The WFG Difference.

WFG focuses on providing the best possible closing experience for all parties. WFG delivers a wide variety of residential and commercial mortgage lender services, including default and REO products. The company enjoys a Financial Stability Rating of A' (A prime) as assigned by Demotech, Inc.

### The Fastest Growing Underwriter.

For the past ten years, WFG has been the fastest growing national underwriter in the country, thanks to partners like you.

### Jen Cote, Business Development.

Using her experience as a mortgage loan originator, sales manager and years in national title sales and production, Jen is familiar with all the nuances of a closing and prides herself on empowering her clients with tools and strategies for their success. She loves forming new connections and finding synergy within her growing network.
